Great news

Part B Insulin and Part B drug benefits on CarePlus' Medicare Advantage plans are getting even better in 2023.

At CarePlus, we strive to help our members achieve total health so that they may live their best lives, which includes efforts to provide our members with access to more affordable prescription drugs.

With the passing of the Inflation Reduction Act, all Medicare Advantage plans will have enhanced benefits in 2023:

Effective April 1, 2023, some rebatable Part B drugs may be subject to a lower coinsurance.

This means beginning April 1, 2023, some Part B drugs will have a lower coinsurance than your standard part B drug coinsurance to help avoid increased cost for your Part B drugs. Any coinsurance adjustments will be made by the pharmacy at the time of purchase.

Effective July 1, 2023, cost sharing for covered Part B Insulin furnished through a covered item of durable medical equipment will be no more than \$35 for a one-month (up to 30-day) supply.

Part B Insulin is most commonly used through an insulin pump.

Note: Plan information provided in your previous member materials may not reflect these 2023 benefit enhancements from the passing of the Inflation Reduction Act.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8 a.m. to 8 p.m. From April 1 - September 30, we are open Monday - Friday; 8 a.m. to 8 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within one business day.

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **CarePlusHealthPlans.com/medicare-plans/2023** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium may be covered through the Florida Medicaid Program.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2024.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

2023 Summary of Benefits

This booklet gives you a summary of what **CareSalute (HMO)** covers and what you pay. It does not list all plan benefits or every limitation and exclusion. For a complete list of covered services, please refer to the plan's Evidence of Coverage on our website, [CarePlusHealthPlans.com/medicare-plans/2023](https://www.careplushealthplans.com/medicare-plans/2023), or call us and we will send you a copy. We will automatically mail it to you after you enroll.

Tips for comparing your Medicare choices

- To compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **Medicare.gov**.
- To learn more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **Medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY: **1-877-486-2048**.

Who can join CareSalute (HMO)?

To join **CareSalute (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area.

Our service area includes the following counties in Florida: Flagler and Volusia.

Which doctors and hospitals can you use?

CareSalute (HMO) has a network of doctors, hospitals, and other providers. You must access all plan-covered services through the CarePlus network of providers, except for urgently needed care or emergency services. If you use out-of-network providers, we may not pay for these services.

Prior authorization or a physician referral may be required for covered in-network medical services.

To see our provider directory, visit our website at [CarePlusHealthPlans.com/directories](https://www.careplushealthplans.com/directories), or call us and we will send you a copy.

What does this plan cover?

CareSalute (HMO) covers everything that Original Medicare covers - and *more*.

In addition to medical services, we cover Part B drugs such as chemotherapy and some drugs administered by your physician. See the Evidence of Coverage for more information.

This plan does not include coverage for Part D prescription drugs. If you do not have prescription drug coverage through the Veteran's Administration, for example, you may want to consider a Medicare Advantage plan that includes prescription drug coverage.

Do you have Medicare and Medicaid? If you are a dual-eligible beneficiary enrolled in both Medicare and Florida's Medicaid program, **you may not have to pay the medical costs displayed in this booklet.** Please contact us to learn more about how this plan works for dual-eligible members.
